## SILICONE PRODUCTS

# Silicopad®

foot health products

### Code - 542 Silicone Full Length Insole

- Silicone insoles reduce shock loads particularly in the forefoot and heel areas of the foot.
- Forefoot and toe deformities, plantar pain, pressure redistribution and arthralgia.

### Silicone 3/4 Length Insole Code - 543

- The insole ensures effective cushioning of all ligaments and muscle structures.
- It supports the arch and ideal for patients suffering from achilles tendonitis, shin splits, heel pain, bunions, flat feet.

### Code - 544 Silicone Heel Spur

- The heel spur reducing impact loads on the ankle, knee, hip and spine.
- Used for plantar fasciitis, calcaneal spur,
- Achillodynia-tendomyopathy, calcaneal pains.

### Silicone Toe Spreader Code - 545

- Helps in the realignment of the toes, for problems in the articulations metatarsus falangicas caused by Hallux Valgus.

## SILICONE PRODUCTS

### Code - 546 Silicone Toe Separator

- Protection in helomas and inter digital pressure, decreasing the friction and the pain, toe nail problems and post operative.

### Silicone Ring Code - 547

- Relief to painfull inter digital corns and blisters, hammer and claw toes.

### Code - 548 Silicone Toe Cap

- Relief to painfull inter digital corns and blisters, hammer and claw toes.

### Silicone Forefoot Insole Code - 549

**Universal Size**

- Recommended for people that do walking or stand on their feet for prolonged periods.

## SILICONE PRODUCTS

### Silicone Bunion Shield Code - 550

Universal Size

- Reduce the pain in the bone protuberance, decreasing the pressure and prevents the friction in the Hallux Valgus.

### Code - 551 Silicone Metatarsal Pad With Ring

Universal Size

- Protection on the metatarsal area
- Prevents the grow of hard areas and callouses.
- Reduces the pain and the irritation in this area.

### Silicone Metatarsal Pad With Separator Code - 552

Universal Size

- Protection on the metatarsal area
- Prevents the grow of hard areas and callouses.
- Reduces the pain and the irritation in this area.

### Code - 553 Silicone Toe Crest With Loop (Right & Left)

Universal Size

- Rod for bringing swift relief from the severity of pain caused by hammer, claw or mallet toes.
- Available separately in Right and Left.

### Silicone Metatarsal Pad With Separator Code - 554

Universal Size

- Protection on the metatarsal area .
- Prevents the grow of hard areas and callouses.
- Reduces the pain and the irritation in this area.

## SILICONE PRODUCTS

### Code - 582 Adhesive Silicone Medial & Lateral Wedge

- Used for pronated and supinated feet.
- Applied at medial or lateral part of the foot.
- Can be used inside all kind of shoes and slippers thanks to self-adhesiveness.

### Adhesive Silicone Metatarsal Pad Code - 589

Effaces the pressure, and reduces the pain and the irritation at the metatarsal area.

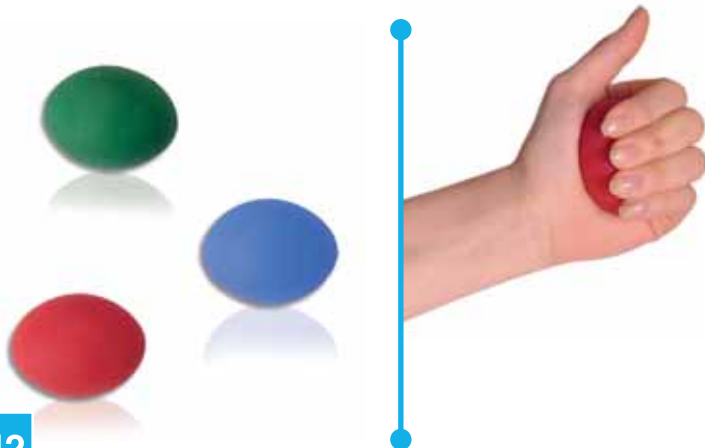

### Code - 590 Adhesive Silicone Longitudinal Arch Support

- Used for pes planus to support longitudinal arch.
- Supports the arch area, and reduces the stretching.

### Adhesive Silicone Heel Spur Code - 584

Used for plantar fasciitis, epin calcanei and calcaneal pains.

### Code - 560 Silicone Hand Rehabilitation Ball

- Used so as to rehabilitation.
- Available in three different hardnesses.
- **Red** - Hard, **Blue** - Medium, **Green** - Soft.

## SILICONE PRODUCTS

**Code - 577 Bra For Breast Prosthesis**

- Breast prosthesis can be applied easily through the cases at both sides.

**Silicone Breast Prosthesis (Pear-Symmetrical) Code - 570**

- Can be put in practice for both sides of the breast through the symmetrical shape.
- Used after mastectomy operations.
- This product is given along with the private designed case and carrying bag.
